

Job Posting – Executive Director
Closing Date – April 30, 2021

Are you looking for an exciting new opportunity where you can truly make a difference in your community? Community Futures has been a leading rural business development program in BC for 35 years, with thirty-four offices across the province that help entrepreneurs realize their dreams and strengthen local economies in BC. If you are looking for a new start in a growing and vibrant region and you want to a job that gives you the opportunity to make a difference, this job opportunity just might be for you.

Community Futures Mt. Waddington (<https://cfmw.ca/>) is seeking a new Executive Director. Reporting to the Board of Directors this position is responsible for the organization's consistent achievement of its mission and organizational objectives. The organization plays a key regional development role both through its small business development and financing mandate, and through community and regional partnerships within the service area. The Executive Director provides the leadership needed to maintain the organization's standing in the region. Priority is given to an individual with strong organizational management and community economic development experience. Experience with commercial lending will be an asset. Other key responsibilities include program development and administration and allowing for the optimal use of organizational finances, staff, and resources. This individual will also provide financial leadership by managing budgets and monitoring long-term strategic fiscal plans.

Compensation includes a salary up to \$90,000 per year, based on experience, along with an excellent Benefits Package.

Job Description available upon request.

Qualified applicants should email a cover letter along with a resume and qualifications to info@cfmw.ca.

Requests for additional information about this posting or Vancouver Island North may be directed to 250-956-2220.

“With eleven communities throughout Vancouver Island North, you’re as secluded or as social as you want to be. Go for a hike in the woods with your friends, or spend the night binging on Netflix. Celebrate a special occasion with a picnic by the ocean, or watch the game at the pub with your crew. 12,000 people make Vancouver Island North their home, and the region’s relative isolation from larger centres yet proximity to urban amenities is an asset that makes the communities unique and desirable to live in.” <https://myvancouverislandnorth.ca/>
